IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF SOUTH CAROLINA

Juanita D. Wilson,)
Plaintiff,)))
))
Carrington Mortgage, S.E.,))
Defendant.))

This matter is before the Court upon Plaintiff Juanita D. Wilson's ("Plaintiff") pro se complaint alleging that Defendant Carrington Mortgage, S.E. ("Defendant") violated her rights under the Fair Credit Reporting Act ("FCRA"), 15 U.S.C. §§ 1681-1681x. On March 14, 2023, Defendant filed a motion to dismiss for failure to state a claim. (ECF No. 18.) The matter was referred to a United States Magistrate Judge for preliminary review, in accordance with 28 U.S.C. § 636(b)(1)(A) and (B) Local Civil Rule 73.02(B)(2)(q), D.S.C.

On October 23, 2023, Magistrate Judge Molly H. Cherry issued an order and Report and Recommendation ("Report"), outlining the issues and granting Plaintiff fourteen days to file an amended complaint to cure the identified deficiencies in her pleading. (ECF No. 24.) The Magistrate Judge also recommended that, it Plaintiff failed to file an amended complaint within the time permitted, the Court grant Defendant's motion to dismiss and dismiss this action without prejudice. Attached to the Magistrate Judge's Report was a notice advising the parties of the right to file written objections to the Report within fourteen days of being served with a copy. To date, no objections have been filed.

The Magistrate Judge makes only a recommendation to the Court. The recommendation has no presumptive weight, and the responsibility to make a final

determination remains with the Court. Mathews v. Weber, 423 U.S. 261 (1976). The Court

is charged with making a de novo determination only of those portions of the Report to

which specific objections are made, and the Court may accept, reject, or modify, in whole

or in part, the recommendation of the Magistrate Judge, or recommit the matter to the

Magistrate Judge with instructions. 28 U.S.C. § 636(b)(1). In the absence of specific

objections, the Court reviews the matter only for clear error. See Diamond v. Colonial Life

& Accident Ins. Co., 416 F.3d 310, 315 (4th Cir. 2005) (stating that "in the absence of a

timely filed objection, a district court need not conduct a de novo review, but instead must

'only satisfy itself that there is no clear error on the face of the record in order to accept the

recommendation.") (quoting Fed. R. Civ. P. 72 advisory committee's note).

Here, because Plaintiff failed to file an amended complaint within the time permitted,

and because no objections to the Report have been filed, the Court has reviewed the

record, the applicable law, and the findings and recommendations of the Magistrate Judge

for clear error. After review, the Court finds no clear error and agrees with the Magistrate

Judge's well-reasoned analysis. Accordingly, the Court adopts and specifically

incorporates the Magistrate Judge's Report (ECF No. 24), and the Court hereby grants

Defendant's motion to dismiss (ECF No. 18) and dismisses this action without prejudice.

IT IS SO ORDERED.

/s/Bruce H. Hendricks United States District Judge
